LONGEVITY – WHERE DOES THE DAVE SHORT INTER-PROVINCIAL RANK?

Herewith some interesting statistics about longevity of squash tournaments.

1. Northerns Open ran from 1982 -1995 and then resumed from again in 2008.
2. S.A. Nationals started in 1910 but had a break during the two world wars.
3. Jarvis Cup started in 1960
4. SA Country Districts started in 1977
5. Prince Junior Tournament (formerly known as Pro-Kennex) has been running for 30 years and the Hitec tournament for about the same length of time.
6. The Bodax tournament (now Goldfields) originated in the 1980's

The Dave Short Inter-Provincial started in 1987 and has been running for 26 years/ for the first 4 or 5 years it was known as the Pietermaritzburg Inter-Provincial Veterans Tournament.

The Format then was much the same as now except that the Sunday braai/luncheon would alternate between Hilton College and Michaelhouse.

It was at one such function at Michaelhouse that it was proposed that in recognition of services rendered, involvement and passion for the sport, the tournament should be named after Dave Short, the founder. Approval was unanimous and since then DSIPT has become a household word in squash circles

MESSAGE FROM THE CHAIRPERSON OF THE MIDLANDS SQUASH UNION

I would like to extend a warm welcome to all the Masters Squash players and visitors to this the 26th Dave Short Inter Provincial Invitation Squash Tournament.

There are not very many tournaments that can brag about being 26 years old and we as a province are proud of this achievement and would like to thank you all for continuing to support this tournament. Thank you too to Time Freight for their sponsorship yet again towards the cost of the shirts. This enables us to keep our tournament costs down in these tight economic times.

I was convinced by the late Gill Weedon to play in the Dave Short tournament many moons ago, and was immediately struck by the wonderful camaraderie amongst the players both on and off the court. The friendships made create a kinship amongst players, which we feel, as we move from one Master Interprovincial tournament to another. Alas, we have had to say goodbye to some players and administrators over these year and I would like to make special mention of Garth Douglas, who died last year August, whilst out cycling. Garth served on the Midlands Squash committee and Dave Short IPT sub-committee for many years. He has been missed both on and off the court. I don't think anyone could hit the tin as hard as Garth!

The sub-committee, led by Mike Short, has worked tirelessly to make sure that this event is a success with entries coming in from all over South Africa. He has been ably assisted once again by Dave Short, Gail Howes, Andrew Pratt and Rob Van Heerden, who have put in many hours of hard work promising another great weekend and tournament. I would also like to thank Rennisha Larkin, the MSU secretary for the extra effort made during these weeks of preparation.

We will miss the anecdotes of Ian Dixon on the back page headed DID YOU KNOW? , but invite you to visit his corner upstairs at the Collegians Squash complex, where he has compiled a lot of history of squash. Can you believe we used to play with those rackets!!!

As sung for us every year by Rob Van Heerden "It does not matter whether we win or lose but how the game is played"

Have fun, play hard and we hope to see you back next year.

Yours in squash

Cathy Jackson
Chairperson
